SECOND PRELIMINARY AMENDMENT

Before beginning examination and calculating the fees in this application, please amend the above-identified application as indicated below:

In the Claims:

Please add new claims 30-32.

- 30. (New) A covering for covering at least a portion of a stent, the covering comprising:

 a tubular section of material for covering an unexpanded stent wherein such
 tubular section is dimensioned so as to constrain the expansion of the stent, and wherein a pattern
 of perforations provided in the tubular section is selected to modify the expansion characteristics
 of the section and thereby constrain the expansion of the underlying stent.
- 31. (New) A covering for covering at least a portion of a stent, the covering comprising:

 a tubular section of polymeric material for covering an unexpanded stent wherein such tubular section is dimensioned so as to constrain the expansion of the stent, and wherein a
